

# Certificate of Approval

This is to certify that the Management System of:

## POSCO FUTURE M

110, Sinhang-ro, Nam-gu, Pohang-si, Gyeongbuk 37918, Republic of Korea

has been approved by LRQA to the following standards:

### ISO 14001:2015

Approval number(s): ISO 14001 – 0071643

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

R&D and manufacture of refractory material. Manufacture of desulfurizing agent. - Manufacture of lime. Commissioning operation of COG gas refinery plant owned by POSCO. Sales of tar and crude light oil. Design, engineering, construction and maintenance of various furnaces for steel and industrial works. Design, development and manufacture of cathode and anode material for rechargeable battery. Manufacture of synthetic graphite anode material for the rechargeable battery.
