

Certificate of Approval

This is to certify that the Management System of:

POSCO FUTURE M

110, Sinhang-ro, Nam-gu, Pohang-si, Gyeongbuk 37918, Republic of Korea

has been approved by LRQA to the following standards:

ISO 37301:2021

Approval number(s): ISO 37301 – 00041753

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Compliance Management System for design and manufacture of anode, cathode for lithium-ion batteries, and refractory materials.

Il-Hyoung Lee

Korea Operations Manager

Issued by: LRQA Korea Limited

The use of the KAB Accreditation Mark indicates Accreditation in respect of those activities covered by the Accreditation Certificate Number KAB-CC-03. LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
